December 1, 2025

Dear Patients and Colleagues,

I am pleased to announce that Kamloops Vision Therapy Optometry will be merging with **Summit Eyecare Centre**, the clinic where I previously practiced, effective **January 1, 2026**. This change will allow us to continue providing high-quality vision care with expanded resources, improved continuity, and a unified clinical team.

What This Means for Your Care / Referrals

All new referrals for vision therapy, functional vision evaluations, and low-vision services should be directed to **Summit Eyecare Centre** starting **December 19, 2025**

- **Phone: 250-828-1554**
 - **Fax: 250-828-9592**
 - **Address: 945 Notre Dame Drive, Kamloops, BC, V2C 5N9**
-
- As part of the transition, **our current fax line will be discontinued after December 19, 2025**. Please update your records with the new clinic's contact information.
 - Eyeglass and contact lens prescriptions, as well as past clinical records, will continue to be available. Please contact Summit Eyecare Centre directly to request copies or for any follow-up needs.

Continuity of Care

All active treatment plans, progress notes, and clinical records will transfer securely to **Summit Eyecare Centre** to ensure seamless continuation of care. No action is required from patients or referring providers.

I am deeply grateful to the patients and colleagues who have supported my independent practice, and I look forward to continuing to care for you through this next chapter.

If you have any questions, please reach out to me at Summit Eyecare Centre at (250) 828-1554.

Sincerely,

Dr. Tamsyn Sitler, OD, FOVDR
